

2024 CTDA Schooling Show Championship

The championship is offered in addition to our volunteer hour driven Year End Awards (YEA) to provide an opportunity to experience a recognized show atmosphere in a less expensive setting for all CTDA members.

Qualifying period: March 1– October 15, 2024.

Location/Date: Park at Harlinsdale Farm, Oct 29-30, 2024. Warm-up Show Saturday. Championship Show Sunday. Saturday show is restricted to championship riders only. Neither show counts towards YEA.

Eligible: 2024 CTDA member at time of earning qualifying score. Minimum of 2 scores for the horse/rider combo from any 2024 CTDA Schooling Show including CTDA sanctioned shows. Top 2 scores will be counted to determine average percentage. Minimum average percentage:

- Intro/Training/Basic/Starter/BN **63%**.
- All other levels above **60%**.

Eligible Riders: Published regularly at <https://wordpress.tndressage.com/schooling-show-championship/>. Riders can show in up to 2 adjacent Championship Levels and must show in the highest level for which they qualified. For advanced classes, a horse can be shown twice if they qualified at 2 different levels (for example Basic/Level 1 for Western or Second/Third for Traditional Advanced).

Championship Classes/Divisions: Divisions as shown below. Divisions can/will be combined if entries are low.
